

Harmony Gold Mining Company Limited is looking to award bursaries to top-performing students in their 1st, 2nd, 3rd or 4th year of studies.

2024 BURSARIES

Interested Students in core mining disciplines such as Mining Engineering, Extractive Metallurgy, Geology, Survey, Rock Engineering, Electrical Engineering – Heavy Current ONLY, Mechanical Engineering are encouraged to apply.

Non-core mining related fields of studies include Finance, Accounting, Human Resources and Social Sciences, Health Sciences, and Information Technology.

Requirements

- Applicants must be between 18 and 35 years of age
- A valid South African identity document (SA Citizen)
- A National Senior Certificate, having passed all subjects with 60% and above.
- Students planning to study in the Engineering field, must have a minimum of 70% for Mathematics & Physical Science
- Students already at tertiary institutions must have obtained an average of 60% and above in all major subjects. Current year results, must be attached
- Must be studying or plan to study on a full-time basis
- Brief Curriculum Vitae (max 3 pages)

How to apply

Students interested in applying for the Harmony 2024 Bursary must download the application form at www.harmony.co.za/careers Send application to bursaryscheme@harmony.co.za

Important: Harmony will only consider students having an acceptance letter from the tertiary institution that they can enroll for their 1st year of studies and who can verify that they are in their 2nd, 3rd or 4th year of studies. A Harmony bursary is only applicable to full-time studies at accredited university institutions in South Africa and not TVET Colleges.

In making the final selection, preference will be given to:

- Core mining fields of studies
- Applicants from Harmony host communities
- Applicants from Harmony labour sending areas
- Dependents of Harmony employees
- Historically disadvantaged persons

**For any enquiries, please contact
