# CORONAVIRUS (COVID-19)

**HARMONY™**

GUIDELINE USING GLOVES

Wash your hand before putting on gloves

Change gloves when:

- After **touching** your face or body
- After **using the bathroom**
- After **eating or drinking**
- After **using dirty** equipment or utensils
- After any **activity** that could **contaminate gloves**
- When you would need to **wash your hands**

Remove your gloves before washing hands
